President's Report-Joseph McGee

Dear Homeowners;

A lot of Homeowners have been busy weeding and sprucing up around their home at the Pointe. It looks great, and a big THANK YOU to those who have started.

Just a friendly reminder that all golf carts must be registered and have a sticker placed on their golf cart this year. If you need to register please stop by the office and see Val. It is fineable for not doing so, as well as driving at night without any headlights and driving under the age of 16.

Don't forget the annual homeowners meeting July 14th at Worchester Prep in Berlin, hope to see you there. Anyone wishing to run for the Board please drop off your resume at the front office. There are two positions available.

The entertainment Comm. Vince and Lynn have been busy putting together a calendar of events for this upcoming year. Come on out and join us, this is one way of meeting your fellow homeowners.

The ECC Comm. has been busy checking our properties again this year. Letters have been sent out to remind Homeowners of items of concern to be handled. Please address these items as soon as possible. A Big Thank You to this Committee. The Board would like to thank Vince and Lynn Luca along with Missy and their group for a great job again this year on work day, sprucing up around the community. I would like to thank the new Homeowners who came out to meet and help with this year's cleanup; I believe they had a good time and have seen them, at other activities. Their where 60 homeowners volunteering on cleanup day, THANK YOU. Hope to see you all around the Pointe this season.

The Board would like to thank everyone for taking the time to keep Assateague Pointe looking like THE PLACE TO BE IN OCEAN CITY. This also helps the homes value to continue to rise.

Thanks again for the homeowners support, Your President-Joe McGee

- A. Apply funds to the operating budget

ECC-CATHY ORTEL

Thank you to everyone who has fought all the rain drops and started their Spring clean up! As always, some part of everyone's house needs washing somewhere, so please remember that for many areas Mold Armour works great on lattice, siding, etc. One of the Board members said it also works on concrete. Since we have some concrete that is almost black, please consider using that and perhaps a combination of granulated tide sprayed with clorox bleach and a scrub brush. There are some that will take a multiple applications.

Many sheds are greatly in need of door repair and a coat of rustoleum on the hardware. Please do not use regular paint on the metal as it will just continue to rust through. Azek trim is available at Home Depot and will help make quick work of door repairs. Please remove hardware or tape before painting. A sloppy paint job looks just as bad as rust!

As always, we did not send out notices for just power washing or weeds unless the problems were severe. We do have some weeds that are already reaching 3 to 4 foot tall. Weeds need to be pulled, or sprayed and pulled. Dead weeds are no prettier than live ones.

We wish you all a great Summer season and look forward to another great year of working with everyone. Please remember that ALL exterior changes need written approval. If you have a question about a change and would like to make, please contact us before proceeding! Thank you in advance for all your cooperation.
